Explore Hollyford, Big Bay & Doubtful Sound Heli Hike (full day tour)

Departing Te Anau we follow the shores of Lake Te Anau and make our first landing at beautiful Lake Erskine. Once airborne we continue north and land adjacent to Hidden Falls on the Hollyford Track. This is a well formed track through native beech forest. From here your walk begins during which your knowledgeable guide will bring to life the diversity of landscapes, vegetation and wildlife.

Upon your arrival at Lake Alabaster Hut, approximately 3 hours later, the helicopter will be waiting to transfer you over the Hollyford River and Lake Alabaster to Big Bay where you will enjoy a gourmet packed lunch and drinks. From Big Bay we will follow the coastal route and fly over world famous Milford Sound before landing at Lake Quill, head of the magnificent Sutherland Falls. We will then continue south making our way over glacial carved mountain tops, through steep sided valleys and over high alpine mountain tarns before making our final landing at Campbell's Kingdom in Doubtful Sound. This beautiful hanging valley comes complete with its own small lake and waterfall. We then return to Te Anau over the Main Divide and Kepler Mountain Range.
